When Benefits are provided

These benefits, for which you are insured under the Certificate, are payable when:

- your application for insurance has been accepted
- the premium has been paid
- an insured event occurs during the period of insurance causing loss or damage to your property and
- your claim is accepted by us.

Significant risks

The risks associated with your Musical Equipment Insurance include:

- Cover may not be adequate because the type or amount of cover you require does not match the cover provided by your Certificate. For example, you require cover for reduction in value due to repairs but this is excluded under this Certificate.
- We can refuse to pay part or all of a claim if you do not comply with Certificate terms and conditions. If, for example, in applying for this insurance or when making a claim you are not truthful, or do not give us accurate and complete information, or do not tell us something when you should have.
- When we pay an equipment claim, we consider a number of aspects in calculating the amount payable.

These can include:

- the amount of loss or damage
- the excess (If any)
- the sum insured
- the terms and conditions of the Certificate; and
- your taxable status for GST purposes.

The amount you pay for this insurance

The amount we charge you for this insurance Certificate is the total amount of the premium that we calculate to cover the risk plus any relevant government charges (such as stamp duty). This is the total amount payable shown on your Certificate of Insurance and is the amount you must pay. If you change your cover in any way, you may be required to pay an additional amount or may be entitled to a refund of premium.

How various factors affect your premium

The premium payable by you will be shown on your schedule. We take into consideration a number of factors in setting our premiums. These include, but are not limited to, factors relating to the level of cover provided, the make and model of the insured goods, how the goods are used, the nature of your business and the insurance history of applicants. Premiums are subject to Commonwealth and state taxes and/or charges. These include the Goods and Services Tax and Stamp Duty and where applicable Fire Services Levy.

How to apply for insurance

Complete and submit our application form. If we accept your application for insurance, you will receive a schedule that sets out details of the insurance.

Your duty of disclosure

You have a legal duty of disclosure to us whenever you apply for, change or renew an insurance cover. Details about disclosure information are shown in the Certificate wording under "Duty of Disclosure".

How to make a claim

If your equipment is lost or damaged during the period covered by this Certificate, there are certain actions that you should take to protect your rights and assist with any claim there may be under this Certificate. These are detailed in Section 5 of the Certificate.

The amount you pay towards a claim

An excess is the first amount that you are required to pay to any claim you make under this Certificate. Any applicable excess will be detailed in the Certificate schedule.

Conditions

You must comply with the following conditions to ensure coverage under the Certificate:

- Do all things necessary to avoid or diminish a loss;
- Maintain the insured property in such order and condition to minimise damage;
- Notify us of any insurance you effect, or have effected, that covers the insured property.

Taxation information

This insurance Certificate is subject to GST. If you are registered for GST purposes, you may be able to claim an Input Tax Credit in respect of the GST we collect from you. If you are unsure about the taxation implications of your Certificate you should seek advice from your accountant or tax professional.

2. Law and Practice

This Certificate is subject to Australian law, including the Insurance Contracts Act 1984. It is also subject to Australian jurisdiction.

3. Your obligation to take precautions

You shall at all times take reasonable precautions to prevent any event or Occurrence which may give rise to liability under this Certificate and take reasonable measures to protect your equipment by minimising the risks of theft or loss or damage caused by any of the events insured against.

4. Other insurance

You must tell us about any other insurance covering the equipment and if the Insured has other insurance that is applicable to the Occurrence or liability (or which would be applicable if this Certificate did not exist) such insurance shall be primary to the cover afforded by this Certificate and the Underwriters shall not be liable to indemnify the Insured in respect of any Occurrence or liability until such other insurance is exhausted.

5. Subrogation

When we settle a claim, we may endeavour to pursue recovery rights against the carrier or any other third party who caused the loss injury or damage. You authorise us to act in your name in such recovery action, and undertake to give us reasonable assistance in such actions. The insured shall do nothing to prejudice such rights of recovery.

If we make any recovery as a result of such action you may only recover from us any amount by which the amount recovered by us exceeded the amount paid to you by us in relation to the loss.

6. Alteration of Risk.

This Certificate covers the risk as You have represented it to us. If there is a material change You should ask us to provide cover by Endorsement.

Insurers shall not be liable for destruction or damage to any Property Insured caused or contributed to by an alteration after the commencement of this Contract:

7. Assignment of interest

No change in, or modification of, or assignment of interest under this Certificate shall be effective except when made by written endorsement to this Certificate and signed by an authorised employee of Us.

8. Australia Terrorism Insurance Act 2003 Notice

The Insurers have treated this Insurance (or part of it) as an Insurance to which the Australia Terrorism Insurance Act 2003 (ATIA) applies. ATIA and the supporting regulations made under the Act deem cover into certain policies and provide that the Terrorism exclusion to which this Insurance is subject shall not apply to any "eligible terrorism loss" as defined in ATIA. Any coverage established by ATIA is only in respect of any "eligible terrorism loss" resulting from a "terrorist act" which is a "declared terrorist incident" as defined in ATIA. The Terrorism exclusion to which this Insurance is subject applies in full force and effect to any other loss and any act or event that is not a "declared terrorist incident". All other terms, conditions, insured coverage and exclusions of this Insurance including applicable limits and deductibles remain unchanged. If any or all of the Insurers have reinsured this Insurance with the Australian Reinsurance Pool Corporation, then any such Insurers will not be liable for any amounts for which they are not responsible under the terms of ATIA due to the application of a "reduction percentage" as defined in ATIA which results in a cap on the Insurer's liability for payment for "eligible terrorism losses".

9. Electronic Date Recognition Exclusion (E,D,R,E)

This Certificate does not cover any loss, damage, cost, claim or expense, whether preventative remedial or otherwise, directly or directly arising out of or relating to:

- (b) any changes, alteration, or modification involving the date change to the year 2000, or any other date change including leap year calculations, by any computer system, hardware, programme or software and/or microchip, integrated circuit or similar device in computer equipment or non-computer equipment, whether the property of the insured or not

This clause applies regardless of any other clause or event that contributes concurrently or in any sequence to the loss, damage, cost claim or expense.

General Exclusions Applicable to Section 1

The Extended Radioactive Contamination Exclusion Clause, the Terrorism Exclusion Clause and the War and Uprisings Clause shall be paramount and shall override anything contained in this insurance inconsistent therewith. In the event of conflict between these clauses, the Extended Radioactive Contamination Clause shall prevail.

2. War and Civil War Exclusion

Notwithstanding anything to the contrary contained herein this certificate does not cover Loss or Damage directly or indirectly occasioned by, happening through or in consequence of war, invasion, acts of foreign enemies, hostilities (whether war be declared or not), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation or nationalisation, or requisition or destruction of or damage to property by or under the order of any government or public or local authority.

3. Terrorism Exclusion

Notwithstanding any provision to the contrary within this insurance or any endorsement thereto it is agreed that this insurance excludes loss, damage, cost or expense of whatsoever nature directly or indirectly caused by, resulting from or in connection with any act of terrorism regardless of any other cause or event contributing concurrently or in any other sequence to the loss.

For the purpose of this endorsement an act of terrorism means an act, including but not limited to the use of force or violence and/or the threat thereof, of any person or group(s) of persons, whether acting alone or on behalf of or in connection with any organisation(s) or government(s), committed for political, religious, ideological or similar purposes including the intention to influence any government and/or to put the public, or any section of the public, in fear.

This endorsement also excludes loss, damage, cost or expense of whatsoever nature directly or indirectly caused by, resulting from or in connection with any action taken in controlling, preventing, suppressing or in any way relating to any act of terrorism.

If the Underwriters allege that by reason of this exclusion, any loss, damage, cost or expense is not covered by this insurance the burden of proving the contrary shall be upon the Assured.

In the event any portion of this endorsement is found to be invalid or unenforceable, the remainder shall remain in full force and effect.

4. Sanction Limitation and Exclusion

No insurer shall be deemed to provide cover and no insurer shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim, or provision of such benefit, would expose that insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

How to make a claim under this Certificate

If You suffer any loss or damage or any Occurrence which may give rise to a claim and as a condition precedent to Your right to be indemnified under this Certificate You must;

- g) within thirty (30) days submit in writing full particulars of any claim and supply all such information and documentation as we may reasonably require;
- h) preserve any damaged equipment and make it available for inspection by our representative or agent (incl a loss assessor).

No admission, offer, promise, payment or indemnity shall be made or given by or on behalf of the Insured without the prior written consent of the Underwriters.

Discharge of Payment

In connection with any claim against the Insured the Underwriters may at any time pay to the Insured a sum equal to the Limit of Indemnity or any lesser amount for which such claim can be settled. Upon payment of such sums the Underwriters shall be entitled to relinquish the control of such claim and be under no further liability in connection therewith except for Legal Costs which the Underwriters have already agreed in writing to pay in respect of matters prior to the date of such payment. However where the Limit of Indemnity is stated to be inclusive of all costs and expenses if a payment exceeding the Limit of Indemnity has to be made to dispose of a claim the liability of the Underwriters to pay all costs and expenses in connection therewith shall be limited to such proportion of the said costs and expenses as the Limit of Indemnity bears to the amount paid to dispose of a claim.

5. SEVERAL LIABILITY CLAUSE

The liability of an insurer under this contract is several and not joint with other insurers party to this contract. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all members of the syndicate taken together) is shown in this contract.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this contract. The business address of each member is One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's at the above address.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read to reference of contracts in the plural.
